This very stylish 3 bedroom, 2 bathroom ground floor apartment is located in the famous golf area of Los Arqueros, frontline to what the extension of the golf course will be. It combines modern materials with Andalusian charm in the buildings, with two big communal pools. The entrance hall leads you to the lounge with dining area, the separate, fully fitted kitchen with laundry room and the bedroom wing. The lounge, a guest bedroom and the master bedroom suite enjoy direct access to the huge terrace, that is partially covered and open, leading to the privately used garden, from which you can easily access the communal pool around the corner, thus not interfering with your privacy. You can enjoy sea views over the future golf plot and the lake of San Pedro de Alcántara. The bright apartment with high ceilings and big double glazed window doors has cream marble floors and baths, a subterranean parking space and storage room you access via a lift. A perfect property to rent, for permanent living or to enjoy your holidays, being only 5 min. drive from San Pedro and Benahavis village, famous for its fabulous restaurants, shops and art galleries.
