Lecce (Lecce) - Near Viale Gallipoli, just few steps from the historic center, we are pleased to offer for sale an elegant apartment about 500 sqm, located on the first floor of an elegant ancient building. The apartment consists of an entrance hall, study, reception hall, lounge, living room, kitchen, cooking area, three bedrooms, three bathrooms and large terraces overlooking the wonderful garden of exclusive property on the ground floor. An internal staircase leads to the mezzanine floor where we find a living room, a study, a bedroom, a bathroom and a level terrace.

The property includes a large garage and a storage room with exit to the garden on the ground floor and a cellar in the basement. The height of the vaulted ceilings and the large windows that give the rooms an incredible light are certainly noticeable; noteworthy are the terraces and the garden that create a bucolic scenery.
