Roma (Roma) - ROME, ANCIENT AURELIA - In the residential context of the Aurelia Antica, surrounded by greenery, we offer large residences renovated to new or to be restored, with splendid reception areas, terraces and private gardens, set in a wonderful green space of about 5000 square meters in front of Villa Doria Pamphilj, one of the main Roman parks. The Domus Antica Aurelia apartments are spacious and bright, with an intelligent cutting edge and cutting-edge technology to meet everyone's needs. In the Domus Antica Aurelia residential complex, apartments of different sizes are available to meet every need.

Specifically we have a two-room apartment on the first floor with large and pleasant views in the green, completely renovated and finished with quality materials, complete with balcony. The apartment consists of a large living room, a large kitchen, a bedroom and a bathroom. The building, entirely and expertly renovated, has never been inhabited and has parquet floors and air conditioning in all rooms, as well as the possibility of covered parking spaces and cellars.

Discover how beautiful it is to live surrounded by greenery and just a few minutes from the center of Rome.
