Torino (Torino) - Torino centro, with entrance from Via XX Settembre, Santandrea offers for sale the Royal Rooms of Palazzo d'Harcourt, a rare example of the union between the French and Italian taste of architects Filippo Castelli and Carlo Borda. The Regie rooms, located on the main floor of the building, are spread over an area of 575 square meters (484 square meters) and can be reached through a staircase and private lift. The property of the '700, renovated, will be the opportunity to live in a historic building in the center of Turin a few steps from Piazza San Carlo. The solution is ideal for both residential use as a representative office or high-quality showroom.
