New townhouses close to sportive center at san pedro del pinatar!

Complex of 9 townhouses in San Pedro del Pinatar, Costa Cálida. Located in a quiet residential area in a Spanish town, close to the beach, sports, spa and services.

Each property has 3 or 4 bedrooms and 2 fitted bathrooms. Designed with a contemporary style and open plan concept, comprising a fully fitted kitchen, lounge and dining room. Each townhouse has it's own private swimming pool, interior patio, parking space, spacious solarium, terrace and garden to allow the sun every day of the year.

Our idea was to create a new concept and focus the property on the interior patio to get more light and space. Then living room, kitchen and bedroom at the ground level are looking to it and likewise the two bedrooms and studio upstairs are connected to it.

All properties will meet the highest standards and will be equipped with:

Fully-fitted kitchen with oven and microwave elevated, fridge, integrated dishwasher, ceramic hobs and extractor fan.

Lights in outdoor areas, as well as in kitchen, corridors and bathrooms

Lined wardrobes with drawers

Fitted bathrooms: mirror, lights, shower screen and suspended toilet

Pre-installation of air conditioning

Garden

Private pool with lights

Interior patio
