The property is in excellent order throughout and within walking distance to the clubhouse and shops. * Ground Floor Apartment * 2 Bedrooms * 1 Bathroom * Fully Furnished * Air Conditioning * Central Heating * Underground Parking * Swimming Pool * 24hr Security The Hacienda Riquelme Golf Resort opened in 2007, consisting of 1,864 apartments laid out around a beautifully maintained golf course between the coastal town of San Javier and the City of Murcia in the east of the region. This Polaris World urbanization is fairly well occupied in the summer season, and the feeling of space on the 175-acre development is a noticeable improvement on some of the neighbouring projects in the heart of Murcia's golf country. As well as the beautiful golf course, there are two tennis courts, two paddle tennis courts, an outside gym, 5 lakes, six children's play areas and 19 swimming pools serving the 78 apartment blocks. At the centre of the development is the Cason, which now houses the resort centre and restaurant as well as a supermarket and the golf pro shop and there are several other courses within an easy drive.
