Miami Playa is a small town that lies in a beautiful landscape between the Mediterranean Sea and the mountains, in the southern part of the Costa Dorada: 120 km from Barcelona and 20 km from Salou.

A coastal line of fully changing beauty: pure & sandy beaches, breathtaking cliffs and hidden bays lead to the crystal clear and clean sea water.

For the more active travelers there are impressive mountains to be explored nearby.

On hot summer days you can always find a refreshing sea breeze over Miami Playa. At an average yearly temperature of 18 degrees Celsius and 300 days of sun, you can enjoy a stay in Miami Playa almost all year round.

For the sportive holiday makers Miami Playa also offers numerous possibilities: Surfing, sailing, water ski, tennis, squash, riding, golf & mini golf, mountain biking, fishing...

After a stroll along the shore, there are many inviting restaurants available. Whether you prefer the French, Italian, German, Argentinean or Chinese kitchen, you will find it all here. Do not forget to visit one of the regional Catalan restaurants. The traditionally prepared dishes with freshly caught local fish and seafood, promise true enjoyment.

Enjoy the summer evenings with a good Spanish wine or Sangria on the terrace of one of the enchanting Bars.
