Between L´Ampolla and El Perello you will find this beautiful finca of 6.6 hectares (66.904 sqm). The finca is planted with olive trees, carob and almond trees. Also has fig, peer and orange trees. The owners also has a vegetable garden!

On the finca is a house that needs renovation (TLC) and there are lots of other buildings as well. There is a garage, there are large sheds, pigeon loft, 3 cisterna's (one of them can contain 45.000 litre of water, one is 6.000 litres and the other one is 4.000 litres).

The house itself consist of kitchen/dining, 2 bedrooms, living room and a shower room.

If you would like to let your own vegetables grown and like to live outside in the campo this is a great opportunity.

The house is registered and in total 93 m2
Total registered as buildings/shed is 135 m2.
So in total 228 m2.

Needs to be viewed, offers great opportunities!
