Outside, to the north of the house is the enclosed pool area with chlorine-filtered pool and roman steps (10m x 4m) and a wooden summer house. Also in the grounds is a very large open barn of around 100 m2 of surface area, cleverly concealed by mature trees.

Opposite the house on the east side is a small outbuilding housing wood for the fire and a built-in barbecue.

Around the house are the grounds, a mix of grass and flowering shrubs and mature trees, some fruit trees (cherry, apple, plum, pear, vine) with mature hedges on the boundary. To the front of the house is a large shaded parking area for a number of cars. The grounds are completely enclosed and well maintained.

This is a spacious property in excellent condition with a pretty garden and small wood, only 2,5 km to all shops and services in Lalinde which is half-way between Sarlat and Bergerac and only 30 minutes to the airport. Ideal as a primary home with all modern comforts or as a holiday home in a popular tourist area, close to all the famous sights of the Perigord.
