Enter the driveway via electrically operated gates, to the right is a petanque (boules) court and at the back a shady pergola; to the left of the entrance is a vegetable garden and two sheds. The wrap-around garden is well established with bushes and fruit trees.

The house is very well insulated, double-glazed and has ceramic tile throughout. Enter into the hall and archway to the large, light and airy living room (36m²) with a wood burner and patio doors to the terrace. At the back of the bungalow are 3 bedrooms and a bathroom with bath, separate shower and dual wash basins. The WC is at the end of the hallway where there are also built-in wardrobes (an additional large wardrobe in the first bedroom remains with the house). The main kitchen (16m²) is well equipped with fitted gas and electric ovens, grill, extractor fan and lots of cupboards and has patio doors to the terrace too. The utility room/back kitchen is also fully equipped with oven, extractor fan, sink and plumbing for a washing machine. A door leads down a few steps to the garage (35m²) with a large mezzanine storage area and doors onto the driveway. Under the utility room is a cellar. The wood burner heats the entire house but there is electric heating too.
