Reduced for a quick sale. This lovely villa with sea views, a wonderful pool terrace and a spacious, lush garden is located in the Adsubia area of Javea, a quiet and green area, but only 1.7km to the Arenal beach, bars and restaurants. You approach the villa by a residential road and enter the property by an electric gate for vehicles onto a natural stone driveway, where you can park one car, which leads to the double garage. There is also a pedestrian door with intercom. From here it is a flat walk through the front garden to the entrance porch, you enter the villa through double doors into a small hallway where you will find storage cupboards, the guest toilet and a technical cupboard. Through a Tosca archway you enter the spacious living/dining room, the living area has a feature fireplace and glass sliding doors leading out to the covered naya and the pool terrace. The dining area has a glazed door leading to the covered summer kitchen and an internal door leading to the kitchen. The kitchen is spacious and fully fitted with units, appliances and granite worktops including a central cooking area, and has a direct access from the garage. From the living area there is a small hallway where you will find two double bedrooms both with built-in wardrobes and a large bathroom including double basins, bath and a shower. Up the staircase you reach the light first floor landing, here you will find a storage cupboard, a double bedroom with built-in wardrobes and glazed sliding doors onto a private terrace with sea views, the large master bedroom with built-in wardrobes and glazed doors leading out to a separate private terrace, there are sea views from the bedroom and the terrace. At the end of the hall there is a spacious bathroom including double basins, bath and shower, this room can be accessed directly from the master bedroom and also from the landing. Outside the living area is a large open naya, incorporating a summer kitchen and a large pool terrace including a luxury 13m custom design infinity pool with beach access. The garden is lush with lawns, palms, trees and plants and includes a seating area at the bottom of garden sited near a large old olive tree. At the far end of the garden there is a concealed gated parking area with access from a side road, perfect for a boat or mobile home. - Key points:- Built 1998- Triple glazed windows with persianas and mosquiteras- Gas underfloor heating- Air conditioning hot/cold- Water filter system- Telephone, internet and satellite television all available- Limed oak internal doors throughout- Auto irrigation- Pool pump room and store under the pool terrace- Offered furnished except for the dining room furniture- Early viewing is essential- This is just one of the many Spanish properties that we have to offer on the Costa Blanca in the Alicante province.
