Lovely one bedroom apartment in the Laguna Beach complex in Vera Playa beach area between Vera and Garrucha on the Almeria coast. One bedroom, one bathroom and a fully-fitted American-style open kitchen. There is also a sunny private terrace covered by a wooden pergola. A garage parking space is included in the price. Very nicely decorated and stylish with built-in wardrobes, double-glazing, air-conditioning and heating.

The complex is well-maintained with pools for adults and children, green areas and tropical gardens within walking distance of a sandy beach, bird watching area (lagoon), shops and bars.

Vera beach is near Vera town, Garrucha, Mojacar and Palomares and you can cycle or drive to the delightful Spanish beach and port town of Garrucha in just ten minutes or even walk there along the beach. There are many tapas bars there and wonderful seafood and paella restaurants all along the seafront and marina area.

Snorkelling, cycling, horse-riding, bird-watching and hiking are all popular in the area which is busiest in July and August but populated all year round by Spanish, English and people of other nationalities. The Almeria coast is a popular destination because even in the coldest months of the year (January and February) the temperature is usually between 15 and 20 degrees and sometimes higher.

Vera is well-connected by motorways and also by public buses, coaches and a shuttle service to Almeria, Murcia and Alicante airports and the rest of Spain. This unspoilt part of Andalusia is the real Spain and has been featured on a Place in the Sun several times.
