Entrance to the property is via a long driveway that leads to the front door. The villa has been fully refurbished over the last few years and consists of a good-sized entrance hall with a guest shower room and a storage cupboard. From the entrance hall we enter the lovely, particularly bright and spacious living room with a feature dry stone wall with fireplace and pellet burner, large windows and sliding doors opening up to the stunning outdoor area with a very large sun terrace that has several seating areas in the sunshine or shade, as you prefer, and a round swimming pool of 10m with illumination.

Walking past the dining area, you have access to the Master bedroom with beautiful indirect lighting and a good-sized en-suite shower room.
