This house has an outdoor terrace of 35 m2, south oriented with lots of privacy.

On the ground floor we find a double bedroom, a large living room with an open kitchen and a bathroom. Here goes a staircase to the basement of the house. This basement is approximately 49m2. Here we find several rooms with windows. Currently used as sleeping quarters and a salon.

The property lies in a charming urbanization, a closed residential complex with an Andalusian appearance. The urbanization is very well maintained, with fountains and a beautiful communal pool in a green area.

The residential area also has all amenities within a few minutes walk: supermarkets, banks, bars and cafes, also a bus stop, the beach and the sea.
