Bright apartment in La Regia urbanization (Orihuela Costa) very close to all services in the Agua Marina area, ambulatory, supermarkets, pharmacies, etc.

About 600 meters from the aquamarina beach and very close to the Campoamor beach.

You have all kinds of Thai and Asian restaurants and cafes, tapas restaurants, as well as banks and ATMs, and the famous food market in the area.

The urbanization where the house is located we can find a beautiful community park, and absolute tranquility all year round.

The house has two bedrooms, a bathroom, independent kitchen, and a spacious living room with a large closed balcony, it also has an outdoor patio with access from the kitchen to use and enjoy the house.

The best thing about it is that the house is on the corner and has two south and west orientations as well as wonderful panoramic views.

Very interesting price and home in Orihuela Costa, do not think about it and take advantage of this unique opportunity !
