For sale:

Just outside Raval de Cristo and Tortosa you will find here a very nice country Property completely fenced.

There is mains electricity and water connection. There is also a cisterna of 30.000 litre.

The plot is 6.500 m2 and the house is 148 m2. On the land you find olive trees and several fruit trees.

The house consists of: 3 good-sized bedrooms, a large bathroom with shower and bath, living area with wood burner, large dining/kitchen and it also has 4 air-conditioning's (hot and cold).

Throughout double glazed windows and there are also shutter and mosquito nets!

There are several buildings around, that could be transferred into extra accommodation. Also there is a nice swimming pool!

Outside buildings: garage, almacén, carports, little casita, fly free zone patio, terrace and storage room.

The property has stunning 360 degrees' views also over the nature park Els Ports!

Very good access and the house is completely registered and has the cédula de habitabilidad as also the energy certificate.

This property really needs to be viewed!

€ 195.000
