On a 10 minutes drive from Xerta and a 20 minutes drive from Tortosa you will find here a very nice finca with a building on it. The casita/almacen, is already renovated with a nice open space for living, space for the kitchen and a bedroom. There is already a shower room.

Also next to the building is a small older casita. Electricity needs to be by solar and water is by cisterna.

Also on the plot is already a water basin.

Beautiful views!
