Amazing first line large family house with 4/5 bedrooms and 4 bathrooms, own private garden, 2 parking spaces included in the Price. Downstairs separate U shaped kitchen with sea views. Two living areas (or one bedroom), one walks out onto the garden and the beach with chimney and guest toilet. First floor two bedrooms and two bathrooms, extra small lounge or space for fridges, laundry etc. Terrace with sea views, upstairs another two bedrooms, both large and en-suite with terrace and sea views. The property is a bit older, but has got so much potential, bathrooms have been updated. The location is amazing, direct on a quiet beautiful beach, with chiringuito close by, easy parking for your guests. Great communal pool, this is definitely a recommendation. Water included in community!
