This Grande new built villa is a mixture of new and Andalucian influences.

You find some wooden beams back in the property and the great built-in decorative stands and big cozy chimney.

Large living room with loads of natural light. Large doors and windows everywhere.

Separate large kitchen with a backdoor to the garden. Three large bedrooms – Two downstairs, one family bathroom downstairs, plus toilet for the guests. Walk in shower and a large main bedroom with extra living area and South facing terrace + sea views upstairs.

The property has just been finished and is brand new.

Kitchen etc still needs to be installed. 300M2 built and 800M2 plot for

Property has got air conditioning and solar panels pre-installation.
