Immaculate villa with pool for sale in Calpe. Very nice villa, build in 2000 on a flat plat. The ground floor of 130m2 has 3 bedrooms, 2 bathrooms (1 en-suite), separate kitchen, spacious lounge/diner with fire place and a glazed in naya overlooking the pool and its terraces. By the pool is a big summer kitchen and outdoor shower. In the underbuild is a separate guest apartment with 2 bedrooms, 1 bath and lounge/diner/kitchen. The whole house benefits from gas central heating, air condition h/c and double glazed windows. The garden is low maintenance and walled. Fantastic location, less than 1 km to amenities and beach!
